## Bar Harbor Half Marathon

by Bob Boyd

Looking for a great destination race and a chance to escape the summer heat? Check out the Bar Harbor Half Marathon and start planning for next year. My bride, Vanessa, and I have fallen in love with Acadia National Park on Mt. Desert Island, on the coast of Maine. Acadia National Park quite simply has the best running trails I have ever found. John D. Rockefeller Jr., bless him, spent many years and many millions (& this was several decades ago) creating trails that the Romans would have been proud of and placed them in the most picturesque natural vistas anywhere. If you like lakes, ponds, forests, waterfalls, hills, the ocean, and the conspicuous absence of anything with a motor, with cool summer temperatures you are in the right place. Gorgeous trails they are, but flat they are not. We are not talking Pike's Peak kind of hills but they will certainly make you a stronger runner & the Hart Bridge at the River Run would not phase you one bit after regular training on the Acadia trails. The National Park Service is reluctant to allow races within their borders, but the Bar Harbor 1/2 Marathon has a 40-year history and enjoys grandfathering of its 8+ miles of carriage trails along its 13.1 mile course. (There are 57 miles of carriage trails for your pleasure when you aren't racing the half marathon.)

## SOCIALS

### 29th Jenny's Pennies Anniversary Celebration - October 14

There is a long tradition of collecting any money found during the runs and giving it to Jenny Allen, who uses it to provide the goodies for our Sunday Morning Anniversary Celebration. Come help us spend Jenny's pennies! We'll provide champagne, orange juice and coffee. You can bring fruit, bagels, coffeecake, donuts, etc. to share. Join us for a group picture and help celebrate The 29th Anniversary of our Sunday morning runs from Sun Tire on Blanding Boulevard in Orange Park. The party will start after the Sunday morning run. Jenny does a wonderful job and it is always a very enjoyable time.

The **November** social will be on Sunday, November 18 at 1:30 at the Ocean Grove Condominiums Club House in Ponte Vedra. Hosted by Vicki Choinski and Bernie Candy. The Club will provide soft drinks, please bring a covered dish and adult beverages. Directions to the clubhouse will be the issue of the StrideRight. ●

# Prez Sez *By Dave Bokros*

Being on the injured reserve list has made me realize how much I enjoy running. The gym and the pool may have their allure (neither of which I am feeling, by the way).

But the simple act of putting on your shoes and running out the door is the simplest pleasure!

I broke my foot, so I will recover. For those of you that are always chasing that next marathon, or pushing yourself for extra miles during the week, just remember to stay healthy! Listen to your body. Know the difference between pain and discomfort. Distance running has a lot to do with tolerating discomfort. But if you are regularly experiencing pain, that is something else, entirely. See a doctor. Get regular physicals. Stay healthy. Don't put something off for fear the doctor may tell you not to run anymore, because, if you put it off long enough, that's exactly what the doctor will say!

Whoever you are, we enjoy your company at the races too much to lose you to something preventable!

See you on the road- eventually! ●

## Board of Directors' Minutes 9/11/2007

The meeting was called to order by Dave Bokros at 7:08p.m. Directors present were Dave Bokros, Vicky Connell, Mike Ford, Gary Hallett, Glenn Hanna, Kellie Howard, Kim Lundy, Keith Poythress, Mike Mayse, John Metzgar, Denise Metzgar, John Steinburg, Mary Steinburg, James Vavrina, and Kay Womack.

**Minutes:** No changes to the August minutes.

**Treasurer's Report:** George Hoskins presented the Treasurer's Report. He noted there were very few entries for the month. Cash on hand as of August 31 is \$9,050.70. The report was filed as presented.

**October Fun Run:** Mike Ford presented a draft copy of a flyer promoting a Fun Run in October at Oakleaf Plantation. He told us that he and Kim Lundy were submitting a Grant Request to Disney to support this run which would focus on youth runners of Junior High age. Kim Lundy explained that this is considered a Service Learning Project by Disney. Most of the participants however would come from the Elementary age groups. The Junior High kids would be the ones running the event and providing all the volunteers. The Striders were listed on the flyer as sponsors along with two businesses. The Striders would provide all the racing equipment and possibly some volunteers for the event. Mike is looking for Board approval to do this and possibly provide some support with ribbons if the Grant doesn't come through as well as put the event under Strider insurance. Estimated total costs for the race are approximately \$300-\$400. There will be no entry fee for the race. Mike discussed the route and distances to be run. Kellie Howard moved to support the event, seconded by Mike Mayse. It was approved unanimously.

**Merchandise update:** Keith Poythress stated he ordered 25 Strider stickers which can be placed on Championchips. The price will be between \$3 and \$4. He also wants to order some Strider bumper stickers that say 30th Anniversary. There were several suggestions for various stickers people were interested in. There was also some discussion on ordering Strider shirts made from technical material. We could get them through First Place **Continued on page 8**

## BAR HARBOR HALF MARATHON

Continued from page 1

This is not a PR kind of race but it is a very beautiful and challenging course. There are only 400 spots available for the ½ marathon due to the aforementioned National Park Service concerns. Register early and plan to stick around for a long spell after the half so you can soak up some of the fall colors and some hot popovers over at the Jordan Pond House afterwards. For those dedicated leaf peepers I need to do some full disclosure: the peak of the fall foliage is typically closer to the 1st of October and the race is in mid-September.

I have been able to run these trails five days a week since mid-June so enjoyed home-field advantage. Even better, I was blessed with two excellent guides, one running, Shannon Horton, and one on bicycle, Frank Hague, to help keep me out of trouble in the hard to see areas (I am legally blind). Temperatures in the 50's throughout the race were a major assist too. The 1st mile has some downhill in it so we were just a shade fast off the line but kept things sensible because the next 1.5 miles is largely uphill, to Duck Brook Bridge, where you leave the blacktop and get onto those gorgeous carriage trails. The first real challenge comes at about the 6-mile mark when there is almost a mile uphill segment

going around Eagle Lake. How come downhills never quite make up for the uphill? I was enjoying one of those rare race days where everything felt great and got to pass several folks during that uphill. The race volunteers did not let the light rain dissuade them from providing refreshments or cheering out there in the middle of the woods. We left Eagle Lake and the carriage trails just beyond about 10.5 miles. The next mile is a tough uphill along a two-lane road but once you arrive at the top it is a fast and fun downhill to the YMCA's soccer fields and the finish. My running guide, Shannon, had an awesome race, with a 9-minute PR, winning her age group. Don't expect races up here to be organized quite like a Jacksonville Grand Prix event. The age group awards are in 10-year increments and your ChampionChip won't be of any use. You will, however, be treated very well before, during, and after the event, including a hot shower at the Y should you so desire.

I have had faster ½ marathons, I finished in 1:38:53, but I have never enjoyed one more. In case you need any more enticement to make a trip up, there is also a very active and very friendly local running club, Eden Athletics, that has a lot of group runs on these gorgeous carriage trails. It would be my pleasure to join you for a spin around Eagle Lake should you decide to bop up. Life is good in the woods. ●

## MINUTES

Continued from page 2

Sports if we order several hundred for \$10 each.

**Run To The Sun Race Director:** Dave Bokros mentioned that we are looking for a Run to the Sun Race Director. Keith Poythress nominated Kay Womack, and she accepted. James Vavrina seconded the nomination. It was approved unanimously.

**Run To The Sun Race Report:** Gary Hallet reviewed the Financial Report. Gary noted we had 420 race entries compared to 651 last year. The race was on the same day as a county Math competition and the County Fair contributed to a smaller than usual turn out. Some of the expected race sponsorship did not come through. Final race profit was \$6467.38, a bit lower than expected but still a good profit. Mike Ford pointed out that the Math competition and Fair were on the same weekend as the race again next year. A suggestion was made to increase advertising to compensate.

**Grants Committee:** Dave Bokros said he is looking for some people to form a committee to write these Grants every year. MaryAnn Steinburg has a lot of experience writing grants through her work. She is willing to be on the committee and assist with research and writing. Mike Ford recommended that Bob Boyd and Kim Lundy be on the committee. Kim agreed to be on the committee and made a motion that MaryAnn be the chair. It was seconded by Kay Womack and approved unanimously. They will get in touch with Bob and make sure he is agreeable to be on the committee.

**iPOD Fitness Center Link to Website:** Dave Bokros said he has been getting phone calls from this company asking us to set up a link from our Website to their website. Discussion was negative in this regard. Vicky Connell moved not to provide a link or partner in any way with this company, seconded by Keith Poythress. Approved unanimously.

**Social Update:** Glenn Hannah stated that the next social will be the Jenny's Pennies Annual Brunch on the 14th of October. Breakfast will be around 8:30. Vicki Choinski will be hosting the November social at her condo in Ponte Vedra, at her complex clubhouse. It will be on Sunday the 18th at 1:30 p.m. December social is the block party in Boone Park. Glenn said he received a message from Bonnie Brooks talking about

getting a block of tickets for a Jaguar's game which would be an additional social for those who are interested. Glenn said he is already working on the social schedule for next year so that we can have it planned in advance and come up with a few new ideas.

**General Discussion:** Vicky Connell noted that the Children's Running Camp Committee meeting was postponed till September 20th at 8 p.m.

George Hoskins said he has talked with Compass Bank and they have stated we could get a Credit Card machine to be used at our events if we desire it. Dave suggested we add this to our next agenda for discussion once we get some more information.

Mike Ford said the Clay County Health Fair for School Board employees and their families is coming up at Fleming Island High. We had a table last year. Dave Bokros said he helped with this table last year and there wasn't that much interest. Mike clarified that the fair Dave helped with last year was the County Commission Fair which is a different one. Mike himself had been at the School Board fair. Other board members agreed that that the CCSB fair would be worthwhile and we could promote upcoming races. The Fair takes place Monday, October 22nd, from 8 a.m. to 1 p.m. Vendors receive lunch. There is a minimal cost for the table. Dave stated he'll put it on the agenda for next month.

Kim Lundy asked Vicky about the possibility of grants to support the Children's Running Camp next summer. She stated she already had an email from Ken Bendy that referenced this possibility. Vicky stated she would forward the email to Kim and Mary Ann.

Mary Ann mentioned that plans are underway again for "Step Up, Florida". Step Up, Florida is an annual statewide initiative that happens during the month of February to promote physical activity and healthy lifestyles to all Floridians. Several sponsors have already committed to helping to include the YMCA. The Strider sponsored 5K race and 1 mile fun run will take place on Saturday, February 17th.

Kay Womack made a motion to adjourn, seconded by Mike Mayse. The meeting was adjourned at 8:21 p.m. ●

Respectfully submitted,  
Vicky Connell

# The Back Page

BY MIKE MARINO

Hello good running folks! I hope the past month has found you well, especially given your mileage has likely begun to increase. Yep, fall is approaching and everyone has that marathon or other significant distance race circled on the calendar in the winter. What a great time to be a runner – the excitement of that pending event, doing long runs with friends, and relaxing after your long runs to some football. And while on football, how 'bout the Jags recovering from their pitiful opening day effort to find two consecutive wins (even if they were ugly). Yep, it's a good time, and it has even included some races, so on to the results.

Starting off the month on, when else, September 1st, was the **Turtle Trot in Fernandina Beach**. There were two races actually, a 10K and a 5K, and Striders were chalking up wins at both. Leading the way in the 10K was **Orestez Gutierrez** in a time of 40:29, which earned him 1st place in his age group. Leading all Strider females, as well as all Masters division females, was **Rosa Haslip** in a time of 45:38. **George White** won the Senior Grand Masters division, while **Randy Arend, Everett Crum** and **Gil Flores** turned in age group winning efforts (and Everett claimed his time for this distance was his PW, or personal worst). **Raymond Ramos** also took home a prize, placing third in his age group. In the 5K, **Gary Haslip** and **Al Saffer** won their age groups while **Kim Lundy** won the Grandmasters female division. On the same long weekend we had one Strider, **Lewis Buzzell**, compete in the Labor Day 5K in Ponte Vedra Beach. Lewis represented Strider running very well, winning his age group.

Next was Florida oldest race, the **Carrabba's Summer Beach Run**, which was run for the 43rd time on September 15th. This was the second of the Grand Prix

events, and Striders were racking up those Grand Prix points. Leading all 600 plus runners through the sand were **Justin Jacobs** (27:50), **John Metzgar** (28:05), and **John Steinberg** (28:35), who were the top three overall. Strider age group champions included **Terry Sikes, Bruce Holmes, David Ohnsman, Denise Metzgar** (fastest female Strider, 37:21), **Frank Frazier, Everett Crum, John Aimone**, and **Diane Aimone**. Sifting through the sand to 2nd place in their age groups were **Patrick Gaughan, George White, Al Saffer, Nancy Pullo, Joe Connolly**, and **Dot Mitchell**. And enjoying the sound of the waves hitting the beach while claiming 3rd place in their age groups were **Kathy Murray** and **Orestez Gutierrez**.

The very next weekend found Striders sweeping away the completion at another Grand Prix event, the **Children's Way 5K** on September 22nd. Leading all runners again was **Justin Jacobs**, recording another overall win in a time of 16:03. Combining for a sweep of each the Masters and Grand Masters male divisions were **John Metzgar** and **Terry Sikes**, respectively. Staying with the Strider sweeping theme in the age groups, combining to sweep the 55-59 age group were, in order of finish, **Bruce Holmes, Bernie Candy** and **Lewis Buzzell**. Sweeping the 65-69 age group were **Frank Frazier, Paul Smith**, and **Ben Holland**; and doing the same in the 70-74 age group were **Everett Crum, Al Saffer**, and **Charles Desrosier**. Other Strider age group winners were **John Wisker, Bill Phillips, George White, Rebecca Wild, Kimberly Lundy**,

### Striders, They're Everywhere!

It seems North Carolina is becoming a pretty popular spot for Striders. This past month found **Roxanne and Gordon Slater** in Asheville, North Carolina for the **Asheville Citizen Times Half Marathon and 5K.** Roxanne completed the half in 2:06:45 while Gordon did the 5K in 31:28, which earned him 2nd in his age group.

### Tidbits

Just some background on how this column works. While some or perhaps most of you may think this a single demented slob's effort (namely mine), it actually involves several very kind folks. First, **Al Saffer,** who carries the Strider Man (you know, that wiry mannequin wearing a Strider shirt) to all the events for you to record your results and any comments about your effort or the race. Al then sends the information from the Strider Man to **Ken Bendy.** Ken compiles the Strider Man results and checks website results to find those Striders who may have somehow missed the Strider Man at the race. This is a big effort, because quite a few folks get caught up in post-race activities and don't record their results at the Strider Man. This was very true at the Beach Run, for which only eight folks signed the Strider Man. Special thanks to these two fellows for their efforts,

and please try to make it easier for them by recording your results at the Strider Man. I get results sent directly to me as well, especially for the out of town races, and incorporate these into the results from Ken. Next, you may have noticed my picture changes each month; this is courtesy of **Tanys Cabra** (formerly Carere), as she has a stash of photos of me and has decided it would be fun to put a different one up each month. And of course, Tanys would love any pictures any of you may have or perhaps take of me so she can post them here (and no worries, I'm a good sport, though I hope no one finds those ones of me from my college days in the late 80's - I was young, I needed the money). And lastly, Trish makes the print all pretty and makes any final edits when she puts the entire StrideRight together. It's really quite an effort, and I'm having a lot of fun doing it.

### Award

I'll actually do one for running this month, as it simply can't be denied. As you must have noticed in this and past month's columns, Justin Jacobs has just been on a tear recently. Two overall wins in Grand Prix events this month, combined with three triathlon wins this past summer and countless other overall wins or otherwise impressive showings. Well done Justin and everyone hopes you can keep it up. And with the award Justin, you are now entitled to that ever so coveted....nice smug feeling.

That's all for this month folks. Please remember to sign the Strider Man at races and send your results to me as well, along with any recommendations for Tidbits and nominations for awards. And until next month, train well and be safe. ●

Please get your race times in as soon as possible if you want them published. You can send your times, trash & trivia by e-mail (preferred) to [m.t.marino@att.net](mailto:m.t.marino@att.net) or Mike's snail mail 9858 Moorings Dr., Jacksonville, FL 32257
